

ASSEMBLY INSTRUCTIONS (EL) MODEL NO. 659-274

Made in China

Thank you for purchasing this Powell product. We want to make sure it is complete and to your satisfaction. Please check all packing material carefully for small parts which may have come loose inside the carton during shipment. Hardware can be identified by bright red packaging. Separate, identify, and count all parts and hardware to make sure they match with the illustrations herein and are all present. If any part(s) are missing or defective please contact Powell Customer Service. Contact information is given at the bottom of these instructions. If you feel the item is defective beyond a resolution with part replacements, please return this product with your receipt to the place of purchase. If purchased from an internet retailer, please contact their customer service department. Photo's and additional information may be requested to validate the claim. Product is not to be returned to the Powell Company under any circumstance unless authorized by the Powell Company or an authorized dealer or representative. Thank you.

ATTENTION: SOME LETTERED PARTS LISTED ON THE INSTRUCTION SHEET MAY NOT BE IN PARTS BAG AS THEY MAY ALREADY BE ASSEMBLED. CAREFULLY CHECK PARTS AND PACKING MATERIALS PRIOR TO ORDERING REPLACEMENTS.

Tools Required for assembly: Allen Wrench (included).

MODEL NO. 659-274

Furniture Care

Powell Furniture includes a large assortment of innovative designs in wood, mixed media, and hand painted finishes. With proper care, Powell furniture can last a lifetime. To protect your new furniture, we suggest the following:

Wood Finish Care:

- Do not place in direct sunlight.
- Arrange your furniture away from heating or air conditioning outlets.
- Wipe up spills promptly. Water left over a prolonged period of time will cause white spots in the finish. Alcohol, perfume, after-shave and medicines can cause severe finish damage.
- Dust frequently with a clean, dry, lint-free cloth. To remove accumulated dust or old furniture wax buildup, use a soft, lint-free cloth, which has been dampened in a solution of mild detergent and warm water. Clean the surface by rubbing in the direction of the grain. Dry thoroughly using a clean, lint-free cloth, and then apply furniture polish.
- We recommend that your furniture be polished every six months.

Metal Finishes:

The metal finish of this Powell item is a powder coated, heat baked, electro-static epoxy finish. In simple terms, that means that this finish is extremely durable and resistant to scratches. Some Powell items feature additional hand-applied finishes which add depth and richness. To avoid scratching brass plated finishes, wipe with a lint-free cloth which has been dampened in a solution of mild detergent and warm water. Do not use abrasive polishes or cleaners as this can cause severe finish damage.

Glass Care:

Apply any good quality glass cleaner to a clean, lint-free cloth, before wiping glass surface. Do not apply cleaner directly to glass surface to prevent damage to wood or metal finishes.
